Where your journey begins

Hello, I'm Uli – and I'm truly excited to invite you on this unforgettable European journey with me.

After more than 40 years in the travel industry, I have learned that the most meaningful holidays are the ones that move at just the right pace – with time to breathe, explore, and fall in love with every place we visit. That's exactly what I had in mind when crafting this very special itinerary.

We'll begin by drifting along the romantic Rhine River, surrounded by tulip fields and storybook castles, before wandering through charming towns in Romantic Germany.

We'll uncover the elegance of Prague and the Czech Republic, then finish in the breathtaking Bavarian Alps – a region close to my heart and my second home. I'm so looking forward to sharing with you the traditions, hidden gems, and local secrets you won't find in any brochure.

For the active-minded, there will be plenty of chances to hike, bike, swim, and even dance – because joy and movement are part of the adventure too!

I've worked closely with trusted local experts and built in multi-night stays, so we can truly immerse ourselves in each destination. This isn't just a tour – it's a deeply curated experience, filled with magic, authenticity, and a little bit of Uli sparkle.

Come with me.....Let's create stories worth telling – a Travel Experience that will last a lifetime.

This tour will fill fast so act now to avoid disappointment.

Goslar – The Imperial Soul of the Harz

Wander through the cobbled streets of Goslar, a UNESCO World Heritage treasure crowned by the mighty **Kaiserpfalz**. This was once the seat of emperors, and it shows - from the grandeur of the Imperial Palace to the whispering depths of the **Rammelsberg Mine**, a thousand-year-old marvel of engineering.

Half-timbered houses line the storybook lanes, while the elegant Marktplatz hums with history, beauty, and the gentle song of the famous **Glockenspiel**. Goslar is not just a town - it's a journey back to a golden age.

Wernigerode – The Harz in Full Colour

Just an hour away, **Wernigerode** greets you with joyfully painted facades, crooked houses, and window boxes overflowing with flowers. Towering above the town like a scene from a fairy tale, **Wernigerode Castle** offers sweeping views of the Harz forest and a window into the region's noble past.

Together, **Goslar and Wernigerode** form a perfect pair - one imperial, one playful - each casting their own spell. Come and lose yourself in a land where the past dances with the present, and every step feels like a story waiting to unfold.

(Breakfast)

Day 14 | April 29

Brockenbahn – A Steam-Powered Journey Into Legend

Step aboard a storybook train where black-and-red steam engines hiss and sigh through the enchanted woods of the **Harz Mountains**. The **Brockenbahn** winds its way to the mist-shrouded **Brocken summit**, long whispered to be the meeting place of witches and spirits. Through pine forests and timbered villages, past wildflower fields and swirling clouds, this slow and soulful ride feels like time travel. At the top, legends linger in the air, and on clear days, the views stretch across half of Germany.
